(Washington, D.C. February 28, 2017) The AABC Commissioning Group announced that it will conduct a newly expanded, two-day workshop and exam for its Commissioning Authority (CxA) Certification on April 24-25, 2017 in conjunction with CxEnergy 2017 Conference & Expo in Orlando, FL

Event: Commissioning Authority (CxA) Workshop & Exam

When: April 24-25, 2017

Where: [CxEnergy 2017 Conference & Expo](#)

1500 Masters Boulevard

Orlando, FL 33896

202-737-7775

Presented by: AABC Commissioning Group (ACG)

Description: This highly interactive workshop covers all aspects of commissioning ranging from project management to functional testing and entails many group breakout activities where attendees will use project case studies to develop and discuss samples of key commissioning deliverables. The CxA exam is a 4-hour, closed-book exam that tests candidates on their knowledge of the commissioning process, as well as a general understanding of building systems and how commissioning fits in with the rest of the construction process. [Registration](#)

Attendees: The ACG's Commissioning Authority (CxA) Certification is the premier credential for independent commissioning providers. The CxA certification demonstrates you are an experienced commissioning provider with a complete understanding of the commissioning process and possess the organizational, documentation, communication, and team-building skills that are necessary to lead and coordinate an effective commissioning team and to ensure that the intent of the building owner is achieved.
