

## CxAlloy® is CxEnergy Gold Sponsor

### For Immediate Release

Contact: Ed Armstrong (202) 737-7775, [ed@commissioning.org](mailto:ed@commissioning.org)

(Washington, D.C. Dec. 19, 2016)—CxEnergy, the only conference and expo dedicated exclusively to building commissioning and energy management, announced today that [CxAlloy®](#) will be a Gold Sponsor and exhibitor at the event. CxAlloy® is cloud-based software that ensures building quality from laying the foundation through daily operations. CxAlloy® offers enterprise applications engineered for design and construction project management, commissioning, building maintenance, and energy and sustainability management.

Additionally, CxAlloy's partner Joshua Gepner, Vice President, Electrical Commissioning Engineer of Environmental Systems Design Inc. will present on the topic of "Using Online Commissioning Tools to Save Time & Money and Add Value." His presentation notes that project management, documentation management, and data-transfer activities within the construction industry are continuously becoming more reliant on advanced digital technology and this is especially true in the commissioning sector. This presentation provides information on the selection of an online commissioning tool that matches the intended use, budget and complexity, and rolling it out to stakeholders.

[CxEnergy 2017](#) is being held April 24-27 at the Osceola Convention Center of the Omni Orlando Resort at ChampionsGate, FL. The expo hall showcases a wide variety of products including controls, software, instruments, metering devices and services targeted specifically to commissioning, energy management, engineering and testing firms. CxEnergy's technical program will cover key topic areas including Building Envelope/Enclosure Commissioning, ASHRAE Energy Standards, Data Center, BAS Cyber-security, Energy Water Nexus, Energy Audits, Lighting Controls, and more. The program features many of the best-known industry experts across all building science disciplines. AIA Continuing Education Credits will be available for technical sessions. [See CxEnergy speaker bios and topics](#) on preliminary program.

CxEnergy offers pre-conference certification workshops and seminars for [Certified Commissioning Authority \(CxA\)](#) and [Energy Management Professional \(EMP\)](#), plus a seminar devoted to testing and balancing topics. The event also features several networking events that connect commissioning providers, energy managers, MEP engineers, and HVAC testing professionals with manufacturers and energy services providers.

CxEnergy is presented by the AABC Commissioning Group ([ACG](#)), Associated Air Balance Council ([AABC](#)), and Energy Management Association ([EMA](#)). Attendee registration and event information updates are available at [www.CxEnergy.com](http://www.CxEnergy.com)
