

CxAlloy is CxEnergy 2019 Gold Sponsor

Also Sponsoring Presentation on:
“Managing Commissioning in a Health Care Corporation”

For Immediate Release

Contact: Ed Armstrong (202) 737-7775, ed@commissioning.org

(Washington, D.C., February 5, 2019) CxEnergy, the only conference and expo dedicated exclusively to building commissioning and energy management, announced today that [CxAlloy](#) will be a Gold Sponsor at the event. The company will also be an exhibitor (booth #310/312).

CxAlloy® is cloud-based software that ensures building quality from laying the foundation through daily operations. CxAlloy offers enterprise applications engineered for design and construction project management, commissioning, building maintenance, and energy and sustainability management.

In addition to its exhibiting and sponsorship activities, CxAlloy is sponsoring a presentation entitled “Managing Commissioning in a 185-Facility Health Care Corporation” which features a discussion of how the Hospital Corporation of America manages commissioning throughout its nationwide portfolio of facilities.

Presenting will be Robert Langford, P.E., CxA, Hospital Corporation of America.

CxEnergy 2019 is being held April 15-18 at the Caribe Royale Hotel in Orlando, FL. Attendees will earn AIA and other industry certification continuing education credits for presentations that include case studies and topics in water treatment planning for disease prevention, using data analytics for streamlining the commissioning process, cybersecurity for energy managers, implementing campus sustainability and energy plans, a variety of commissioning and energy management case studies, and more. [Click here to view the CxEnergy Preliminary Conference Program.](#)

The [CxEnergy Expo Hall](#) showcases a wide variety of products including controls, software, instruments, metering devices and services targeted specifically to commissioning, energy management, engineering and testing firms.

CxEnergy offers pre-conference workshops and seminars for AABC Testing & Balancing and Building Enclosure Commissioning, and certification exams for Certified Commissioning Authority (CxA) and Energy Management Professional (EMP). The event also features several networking events that connect commissioning providers, energy managers, MEP engineers, and HVAC testing professionals with manufacturers and building and facility owners/operators. Attendee registration and event information updates are available at www.CxEnergy.com

CxEnergy is presented by the AABC Commissioning Group ([ACG](#)), Associated Air Balance Council ([AABC](#)), and Energy Management Association ([EMA](#)).
