

## CxAlloy® is CxEnergy Gold Sponsor

Also Sponsoring Presentation on:

***“Children’s Hospital of Atlanta Case Study – Highly Effective Commissioning”***

For Immediate Release

Contact: Ed Armstrong (202) 737-7775, [ed@commissioning.org](mailto:ed@commissioning.org)

(Washington, D.C., March 4, 2020) [CxEnergy](#), the only conference and expo dedicated exclusively to building commissioning and energy management, announced today that [CxAlloy](#)® will be a Gold Sponsor at the event. The company will also be an exhibitor (booth #312/314).

CxAlloy® is cloud-based software that ensures building quality from laying the foundation through daily operations. CxAlloy® offers enterprise applications engineered for design and construction project management, commissioning, building maintenance, and energy and sustainability management.

In addition to its exhibiting and sponsorship activities, CxAlloy® is also sponsoring a presentation entitled “Children’s Hospital of Atlanta Case Study – Highly Effective Commissioning,” which features a discussion of the above and beyond commissioning effort on two new medical office buildings for Children’s Healthcare of Atlanta. Presenting will be John McFarland, Working Buildings, and Jacob Terry, CxAlloy®.

CxEnergy 2020 is being held April 6-9 at the Hilton San Diego Bayfront in San Diego, CA. Attendees will earn AIA and other industry certification continuing education credits for presentations that include case studies and topics in commissioning and energy management, updates on ASHRAE 90.1 and California Energy Code Title 24, cybersecurity for energy managers and implementing sustainability and energy plans. New on the program this year is *HyperScale Data Center Commissioning and Construction*. This two-hour session will bring together experts from industry heavyweights like Google, Facebook and Microsoft, as well as Cx providers and contractors, for a lively discussion on commissioning facilities. [Click here to view the CxEnergy Preliminary Conference Program](#).

The [CxEnergy Expo Hall](#) showcases a wide variety of products including controls, software, instruments, metering devices and services targeted specifically to commissioning, energy management, engineering and testing firms.

CxEnergy offers pre-conference workshops and seminars, such as AABC’s [TAB & Cx Seminar for CxAs, Engineers & TAB Professionals](#) and certification exams for Certified Commissioning Authority ([CxA](#)) and Energy Management Professional ([EMP](#)). New this year, in partnership with the Uptime Institute, a full-day seminar entitled Introduction Mission Critical Environments. These events also provide AIA.

CxEnergy is presented by the AABC Commissioning Group ([ACG](#)), Associated Air Balance Council ([AABC](#)), and Energy Management Association ([EMA](#)).
