

CxEnergy 2017 Heading to Orlando!

Presenters Plan to Build on Three-year Success Story

For Immediate Release

Contact: Ed Armstrong (202) 737-7775, ed@commissioning.org

(Washington, D.C. May 12, 2016)—[CxEnergy](#), the only conference and expo dedicated exclusively to building commissioning and energy management, is moving to Orlando, FL in 2017. CxEnergy 2017 will be held April 24-27 at the Osceola Convention Center of the Omni Orlando Resort at ChampionsGate, one of the city's finest luxury resorts and sponsors, exhibitors and supporting organizations are already signing up.

With record attendance of nearly 500 building commissioning, energy management and test & balance professionals and the most exhibitors in event history, [CxEnergy 2016](#) broke all previous marks. Participants viewed the latest technologies, attended a wide array of educational sessions and workshops and enjoyed numerous networking opportunities. "Attending CxEnergy was like being with a 'Who's Who' in the Cx field," said attendee Gus Martinez, President of GM Consulting Engineers, LLC. "The seminars were directly applicable to our company process, techniques and practices, and I walked away with many ideas that will make an impact in my organization." Post-event press release is available [here](#).

The expo hall will once again showcase a wide variety of companies providing leading-edge commissioning and energy management products and services. The CxEnergy Exhibitor Prospectus will be available soon. Check back often for the latest updates at www.CxEnergy.com

CxEnergy's technical program will cover key topic areas including building envelope/enclosure commissioning, technology & innovation, energy management, commissioning specialty systems, policy & financial Issues, lighting, water management, energy storage and more. AIA Continuing Education Credits will be available for technical sessions. CxEnergy 2016 Program is available [here](#).

CxEnergy will offer pre-conference certification workshops and seminars for the [Certified Commissioning Authority \(CxA\)](#) and [Energy Management Professional \(EMP\)](#). The event will also feature several networking events that connect commissioning and energy management personnel, engineers, building owners and facility managers with manufacturers and energy services providers.

CxEnergy is presented by the AABC Commissioning Group ([ACG](#)), Associated Air Balance Council ([AABC](#)), and Energy Management Association ([EMA](#)).
