

CxEnergy Announces Site Tours in Conjunction with 2020 Event in San Diego *Energy-Related Tours of Airport, University Offered to Attendees*

For Immediate Release

Contact: Ed Armstrong (202) 737-7775, ed@commissioning.org

(Washington, D.C., February 12, 2020)—The premier event in commissioning, energy management, and building analytics and diagnostics, [CxEnergy 2020](#), announced that it is including a pair of site tours as part of this year's offering. The event takes place April 6-9, 2020 in San Diego, CA at the Hilton San Diego Bayfront. The tours both take place Thursday, April 9 and will depart via bus from the venue at 12:15 p.m. and return by 4:00 p.m. They include:

San Diego International Airport (SAN) Technical Tour

The tour (note: background check required) begins with brief presentation at the Airport Authority's administration building, the group will tour a number of unique operational features at SAN including:

- Central Utility Plant operations
- 100,000 Gallon Stormwater Capture and Reuse System
- Terminal 2 Parking Plaza's Sustainability Features
- On-Site Photovoltaic Solar System
- 4 MWh Battery Energy Storage System
- Airside/Runway Operations and Sustainability

SAN will also be a part of [CxEnergy's Technical Program](#) with a presentation entitled *San Diego Airport's Strategic Energy Plan in Action* delivered by Cogan Semler of the San Diego Airport Authority

University of California, San Diego (UCSD) Utility Plant Tour

This VIP tour of the East Campus Energy Park begins with a brief facility overview followed by a walking tour of:

- 2.5 MW/5MWH electric energy storage
- ARPA-E battery storage demonstration facility
- 2.8 MW fuel cell utilizing surplus methane from Point Loma Wastewater Treatment plant and CHP with 350-ton absorption chiller
- Vehicle to grid demonstrations
- Shell's Level II EV chargers demo
- EDF/PowerFlex EV chargers demo
- Absorption chiller and 6 MW of diesel gensets

Register for the tours and all other CxEnergy activities on the [CxEnergy 2020 Registration Page](#). View the entire [CxEnergy 2020 technical program and schedule of events](#).

CxEnergy is presented by the AABC Commissioning Group ([ACG](#)), Associated Air Balance Council ([AABC](#)), and Energy Management Association ([EMA](#)).
