

Why Sending Your Team to **CxEnergy 2026** is a **SMART** Business Decision.

## Sharpen Skills That Matter

Learn from **32+ AIA-approved technical sessions** focused on real commissioning, energy, and building performance challenges teams face every day.

## Measurable ROI

**600+ industry professionals** and **50+ exhibitors** in one place, delivering education, peer benchmarking, and technology exposure in a single investment.

## Affordable, All-Inclusive Investment

Just **two days out of the office**, with 2 breakfasts, 2 lunches, and 2 receptions included, plus a discounted conference hotel rate.

## Reduced Cost for Members and Facility Managers

- Facility managers attend for **\$99**
- Discounted rates for ACG, AABC, and EMA members
- Members of ASHRAE, AESP, SAME, and IFMA **save 20%**

## Time Well Spent, Budget Well Managed

**One focused event replaces** multiple trainings, reducing travel, registration, and downtime while maximizing professional development.
