WHY SPONSOR & EXHIBIT?

CxEnergy offers at least six hours of dedicated exhibit time with no competing technical sessions. The event is designed to ensure extensive face-to-face interaction with attendees and ample time for product demonstrations. Don't miss the opportunity to showcase products that will enable an audience of over 600 commissioning, TAB and energy management professionals to take their practices to the next level. CxEnergy is the perfect place to establish strong partnerships and conduct business deals.

“CxEnergy was the perfect event to announce the launch of our mobile CxA app in front of decision makers in the Cx industry. Sponsoring and exhibiting at CxEnergy once again gave us a high profile to an audience that is leading thousands of Cx and energy management projects.”
