(Washington, D.C., February 13, 2019) CxEnergy, the only conference and expo dedicated exclusively to building commissioning and energy management, announced today that [Facility Commissioning Group](#) (FCG) will be a Gold Sponsor at the event.

FCG is a Lexington, Kentucky based engineering firm created specifically for and dedicated solely to providing independent third-party direct for owner commissioning services executed by highly qualified certified personnel led by licensed Professional Engineers in their Lexington office and Indiana Registered Architect in the Indianapolis branch office.

FCG will be making a technical presentation entitled “4G Commissioning for a 5G World” which features a discussion of communications technology advancement pertaining to commissioning building systems.

Presenting will be Jim Magee, CxA, EMP, LEED AP, President, FCG.

CxEnergy 2019 is being held April 15-18 at the Caribe Royale Hotel in Orlando, FL. Attendees will earn AIA and other industry certification continuing education credits for presentations that range from cyber security to water audits, along with a wide variety of commissioning and energy management case studies. [Click here to view the CxEnergy Preliminary Conference Program](#).

The [CxEnergy Expo Hall](#) showcases a wide variety of products including controls, software, instruments, metering devices and services targeted specifically to commissioning, energy management, engineering and testing firms.

CxEnergy offers pre-conference workshops and seminars for AABC Testing & Balancing and Building Enclosure Commissioning, and certification exams for Certified Commissioning Authority (CxA) and Energy Management Professional (EMP). The event also features several networking events that connect commissioning providers, energy managers, MEP engineers, and HVAC testing professionals with manufacturers and building and facility owners/operators. Attendee registration and event information updates are available at www.CxEnergy.com

CxEnergy is presented by the AABC Commissioning Group ([ACG](#)), Associated Air Balance Council ([AABC](#)), and Energy Management Association ([EMA](#)).
