

## Facility Commissioning Group is CxEnergy Gold Sponsor

*Also Giving Presentation on Commissioning K-12 Schools*

### For Immediate Release

Contact: Ed Armstrong (202) 737-7775, [ed@commissioning.org](mailto:ed@commissioning.org)

(Washington, D.C. January, 19, 2017)—CxEnergy, the only conference and expo dedicated exclusively to building commissioning and energy management, announced today that Facility Commissioning Group will be a Gold Sponsor at the event.

Additionally, President and CEO Jim Magee, CxA, EMP, LEED AP of Facility Commissioning Group will present along with Vice President, Principal of Energy and Cx Services, Robert Knoedler P.E., CxA, EMP of Hanson Professional Services on the topic of “After Hours Cx – Lessons Learned from K-12 Schools.”

Magee said CxEnergy 2017 will be a ground breaking event. “As the built environment’s largest association of certified commissioning providers, ACG and its partners AABC and EMA have again delivered state of the art programs to address increasing demands brought to bear from government regulations to save energy and imperatives to protect the public. I encourage you to share Orlando with us and benefit from the ambitious and diverse commissioning, TAB and energy management dialogue at the largest gathering of its kind in 2017.”

[CxEnergy 2017](#) is being held April 24-27 at the Osceola Convention Center of the Omni Orlando Resort at ChampionsGate, FL. The expo hall showcases a wide variety of products including controls, software, instruments, metering devices and services targeted specifically to commissioning, energy management, engineering and testing firms. [CxEnergy’s technical program](#) will cover key topic areas including Building Envelope/Enclosure Commissioning, ASHRAE Energy Standards, Data Center, BAS Cyber-security, Energy Water Nexus, Energy Audits, Lighting Controls, and more. The program features many of the best-known industry experts across all building science disciplines. AIA Continuing Education Credits will be available for technical sessions.

The [expo hall](#) showcases a wide variety of products including controls, software, instruments, metering devices and services targeted specifically to commissioning, energy management, engineering and testing firms.

CxEnergy offers pre-conference certification workshops and seminars for [Certified Commissioning Authority \(CxA\)](#) and [Energy Management Professional \(EMP\)](#), plus a seminar devoted to testing and balancing topics. The event also features several networking events that connect commissioning providers, energy managers, MEP engineers, and HVAC testing professionals with manufacturers and energy services providers. Attendee registration and event information updates are available at [www.CxEnergy.com](http://www.CxEnergy.com)

CxEnergy is presented by the AABC Commissioning Group ([ACG](#)), Associated Air Balance Council ([AABC](#)), and Energy Management Association ([EMA](#)).
