

# Why Sending Your Team to **CxEnergy 2025** is a Smart Business Decision.

In today's competitive market, equipping your team with the latest industry knowledge and skills is essential. CxEnergy 2025 stands out as a premier industry event that offers cost-effective, tangible value for both employees and employers.

## UNMATCHED ROI

With registration starting at **\$99** for institutional facility managers and **\$595** for non-members, CxEnergy provides significant savings, especially compared to other industry conferences, which often range from \$680 to over \$1,000.

## WHY IS IT A STRATEGIC CHOICE:

Investing in your team's attendance at CxEnergy 2025 is a decision rooted in smart business strategy. With affordable registration rates, industry-leading content, and unparalleled networking opportunities, the event promises a significant return on investment for both your employees and your organization.

## WHAT YOU GET FOR THE PRICE

- Educational Sessions:** **30+ technical sessions** and workshops led by industry experts. Earn CEUs to maintain certifications and stay compliant.
- Certification Opportunities:** Access pre-conference workshops and exams for certifications like **Certified Commissioning Authority (CxA)** and **Energy Management Professional (EMP)**.
- Networking with 550+ Professionals:** Build connections with industry leaders and peers to drive future success.
- Valuable Hospitality:** 2 breakfasts, 2 lunches, and 2 evening receptions included in registration.
- Affordable Travel & Lodging:** Discounted rates at **Le Méridien Charlotte** starting at \$239/night.

*"CxEnergy consistently delivers unmatched value. The combination of education, networking, and affordability makes it a must-attend event."* – Susan Oblak, Facility Grid
